**NINE-TIME USA BMX AMATEUR NATIONAL CHAMPION**  
**USA BMX FOUNDATION MARKETING COORDINATOR**

With all of the ups and downs that come within our sport, I have loved every minute of my BMX racing career. From the amateur days, to now racing professionally, I have enjoyed the process of racing and competing against the fastest BMX riders from around the world. I'm thrilled to continue with my pro career while working part time at the USA BMX Foundation as the Marketing Coordinator. My goal is to assist and grow the multiple educational programs that we offer to kids around the country. I am always looking for ways to help expand the great sport of BMX, and I feel that we have a great opportunity with programs we have in place such as STEM, Track Modeling, Read to Ride, and the BMX Racing League.

***"I'M THRILLED TO BE ABLE TO RACE PROFESSIONALLY WHILE MAKING A DIFFERENCE IN THE SPORT OF BMX. BEING ABLE TO HELP GROW THE SPORT FROM THE BOTTOM UP IS SOMETHING I AM PASSIONATE ABOUT. I HOPE TO INSPIRE AND SHAPE THE SPORT OF BMX TO ACCOMMODATE FUTURE GENERATIONS."***
