

2019 SCHOLARSHIP WINNERS

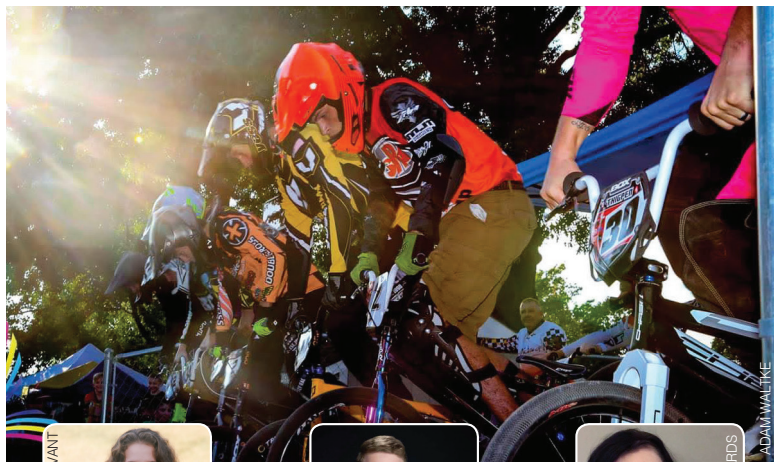

\$46,500.

That is the amount that USA BMX members raised for 2019, to be handed out in Scholarships to deserving BMX students.

In May, USA BMX announced this year's recipients of the Bob Warnicke Scholarships for 2019. \$46,500 was raised through the participation of a Warnicke Scholarship Race, and has been awarded to deserving students and their families. This year, 41 Scholarships grants, ranging from \$500 to \$3,000, were awarded to qualified recipients in 25 states and two Canadian provinces.

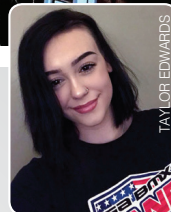

We not only thank the riders for helping raise these funds, but would also like to congratulate the following students on making the grade.
