

BMX TO THE NEXT DEGREE

USA BMX announces today that **\$39,000** in Bob Warnicke Scholarships for 2021 has been awarded to deserving students and their families.

Even a global pandemic couldn't stop BMX tracks from holding Bob Warnicke races last year. Despite any and all Covid fears, BMX racers and their families still came out in droves to participate in Warnicke races, held at the hundred-plus fortunate tracks that were able to open. All together, the tracks and riders helped raise \$39,000 in Bob Warnicke Scholarships, which have now been awarded to deserving Collegiate BMXers. As you're about to read, scholarships range from \$500 to \$3,000, and will be used to assist BMX students and their families with the costs of undergraduate college, trade school, and other educational avenues.

Since 2013, USA BMX/BMX Canada members have raised more than \$447,000 in Scholarships that been awarded.

PULL Magazine not only congratulates the following students on receiving these funds, but we want to give a hug thanks and high-fives to each and every rider who participated in a Bob Warnicke event. These are the fruits of your labor.

ABOUT THE USA BMX FOUNDATION:

has created an endowment for the Bob Warnicke Memorial Scholarship Fund. Each year money raised through the Warnicke Scholarship races and the Hall of Fame Induction Ceremony are placed into the endowment. Donations to the 501(c)3 are always appreciated and are utilized for the scholarship fund. For more information on a Bob Warnicke Scholarship Race near you, visit usabmx.com
